5. Memberships

Austrian Society of Hematology and Oncology
Austrian Society of Medicine
American Society of Hematology
European Society of Hematology
Society on Progress in Medicine

6. Current activities in scientific societies

Strategy Commission of the German CLL Study Group (2001)
Protocol Committee of the German indolent NHL Study Group (1998)
Editorial Board: Leukemia (1996), Annals of Hematology (2001)
Scientific Advisory Board of the International Society for Preventive Oncology (2001)
Chairman of the Basic Science Committee of the European Research Initiative in CLL (ERIC) (2005)
Member of the Medical Advisory Board of the Austrian Stem Cell Registry (2005)

Data Monitoring and Safety Committee (DMSC) of the German low grade Lymphoma group (GLSG) (2006)

Vice-President of the Arbeitsgemeinschaft medikamentöse Tumorthherapie (AGMT)
Austrian representative of the presidium of the Walter Siegenthaler Society for Progress in Internal Medicine (2011)

7. Research interests

Precision Medicine in Hematology/Oncology
Cellular Therapies in Leukemias and Lymphomas (CAR-T)
Novel Gene Therapies
Molecular Hematology
Molecular Biology of Leukemias and Lymphomas

8. Awards

1986-1987	Max Kade Fellowship, Austrian Academy of Sciences
1987-1989	Howard Hughes Associate
1993, 1998, 2002,2003	Wilhelm Tuerk Award of the Austrian Society of Hematology and Oncology
1996	Award of the Austrian Cancer Society
2002	Award of the “Erste Bank”
2003,2004	Aventis-Award
2010	Sanofi Aventis Award
2012	Central European Award of the City of Vienna for innovative interdisciplinary cancer research
September 2020	Last GCP training
Citations:	> 28.000
H-Index:	78
n Publications:	~ 380
Cumulative Impact factor:	> 3000
PI in clinical studies:	> 30
